

Share-A-Kid Registration Form

The Wisconsin Dairy Goat Association helps to promote an interest in dairy goats. One way we encourage our youth to learn about this aspect of agriculture is thru our Share-A-Kid program. Approximately 4-6 dairy goat kids, per year, are given to youth throughout Wisconsin based upon essays they submit

Winning applicants are selected from the essays they send in, and agree to fulfill several requirements with their new goat. The contest is open to those between the ages of 10 and 17 years, are members of WDGA, 4-H, FFA, or other agricultural groups.

An application form as seen below should accompany essays. Be sure to complete the form with all required signatures. Please keep a copy for yourself.

The essay of 50 words or more, should tell why the applicant would like to have a dairy goat, and how they would take care of her, (food, shelter, and medical care). We also want to know what you love about goats and why you love goats.

Winners are required to show their goat at a county fair or open class goat show and send a letter to the donor letting them know how the goat did. If in less that a year of receiving their goat, the winner finds that they cannot keep her, the donating party is to be contacted concerning the goats future. Winners are not required to give a doe kid back to the program, but are encouraged to do so.

Attach the application form to your essay of 50 words or more. Essays can include drawings, photos, or any other special thing you want to send. Entries will be accepted from Jan. 1 to April 1.

Applications should be sent to:
