\*Transport is the responsibility of the buyer- we do not have transport lined up for access. We are willing to help offer ideas and will keep options in mind if we hear of them.

## Sale Details:

- Sale will start promptly at 3pm
- We are not responsible for any delay on facebook livestream should this occur- this is not a method to bid on animals, must be done through a proxy bidder or someone present at the sale- no online bids will be accepted through social media
- WDGA handles payment and registration transfers which will be rushed on buyer's behalf.
- If health certificates are needed, this is at the expense of the buyer. A Vet will be on premise to do a health certificate as needed. This would come at just the cost of the certificate.
- Animals must be paid for in full upon completion of the sale, and transport arrangements solidified.
